

Graduate Student Travel Awards

Graduate student travel awards are available to assist graduate students with travel fares to major national or international conferences to present papers or posters, or to serve as invited speakers. Priority will be given to graduate students who do not have other significant funding available for the travel and/or who have not received GSFEI travel funding in the past.

Requests may be submitted at any time during the fiscal year prior to the requested trip but no later than the deadline listed for each travel time frame. Requests will be considered during the appropriate time frame as listed below, and awards will be made shortly after the deadline.

******You must be confirmed as a presenter before funds are requested. Requests must be submitted by the deadline for each period.******

Deadlines

Month of Travel	Deadline
